

## Introduction of myself

Hello,

My name is Alessandra Alario and I'm 15 years old.

I come from Italy and I live in Portici, a small town near Napoli.

Portici is about 55170 inhabitants.

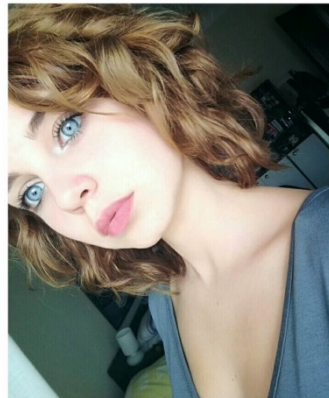

My mum is called Danila and my dad is called Alessandro, like me.

I don't have sisters or brothers, but I have a dog called Orazio and a guinea pig called Yoshi.

My dad works as a trader in the stock market of Naples and my mum works with her brother, who has a restaurant in the center of Naples.

My hobbies are going to the gym, watching films or tv series and riding horses.

My favourite food is "Lasagna" and "Rice salad" and I really love chocolate.
