

Hello,

My name is Antonella Ausiello and I am 17 years old.

I am Italian and I live in Portici, a little town near Naples.

I am attending the last year of high school.

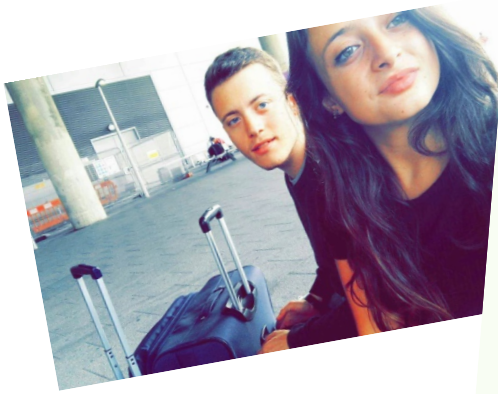

My family is composed by me, my mother, my father and my brother.

My brother is called Michele and he is older than me. He is studying engineering and he will probably move to Milan this year to continue his studies.

My mother, Flora, works in Naples and she is a manager. My father is called Valerio and he is an engineer.

In my free time I really like going to the gym and meeting my friends. I also love watching TV series.

My favourite food is typical Italian food as pizza and pasta.
