

Introduction of myself

Hello,

My name is Luciana Genovese and I am 18 years old.

I come from Italy and I live in Portici, a town near Neaples with 55000 inhabitants.

My mum' s name is Anna Rosa, my father' s name is Giuseppe.

I have one brother, Luigi, and a dog, Luna.

My parents teach philosophy and history in High School. My brother is younger than me: he is 14, and he studies in High School (Linguistic Studies). I study in High School (Scientific Studies).

I play football twice a week with my team and we have a match every Sunday. In my free time I like reading, watching films and going out with my friends.

My favourite food is Italian pizza.
