

INTRODUCTION OF MYSELF

Hello, my name is Ludovica, I'm 16 years old.

I'm Italian and I live in a small town called San Giorgio a Cremano, in Naples.

My family is composed by my mother, my father, my brother and my dog.

My mother's name is Miriam and she is a housewife.

My father's name is Piero and he works in a finance company.

My brother's name is Paolo, he is younger than me and he attends the second year of high school, which is the same as mine.

During my freetime I like drawing, reading books or mangas, listening to music and watching TV series.

I also watch Japanese cartoons (anime) and that's why I'm trying to learn Korean and Japanese, but the grammar and especially the Japanese alphabet are difficult and hard to understand.

This is Villa Vannucchi, one of the parks of my town.

My friends and I at the escape room. We won!

I also like doing cosplay (dressing as a videogame or as an anime character).
