

## Introduction of myself

Hi my name is Nicola Maratea and I am 17 years old.

I am from Italy and I live in Portici, a little town near Napoli.

I live with my mother, my father and an elder sister.

My mum is called Anna and she is a psychologist, while my dad works in a hospital and his name is Carlo.

My sister is following in my mother's footsteps because she is studying psychology at the University of Napoli.

I have no clear ideas about what to do in my life but I love cinema. My hobbies are playing basketball and the guitar.

I like to eat a lot of different kinds of food, but I am vegetarian so I don't eat meat and fish, anyway my favourite food is pizza.

Me and my dad at Napoli football team match.

Just me 😊.
