

My name is Alicia. I am 15 years old. I live with my father and my mother and I haven't got any brothers and sisters and I haven't got any pets.

In my free time I like to meet with my friends and go shopping with my best friends also I play volleyball twice a week. I like drawing and some day I would like to study fine arts and psychology.

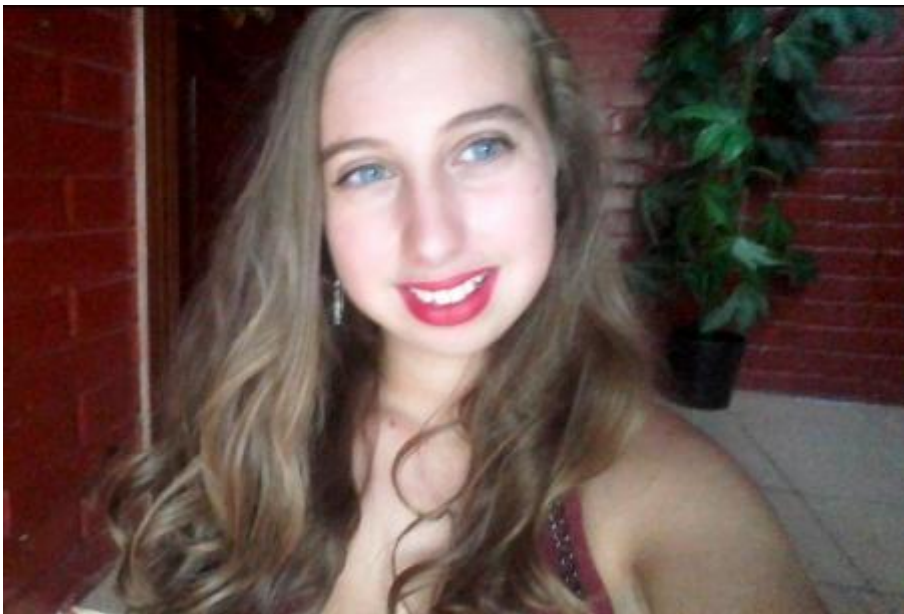

Here are my friends :

At first I´am a little shy, but when I take confidence I´am fun and I love to laugh. I look like my mother , she have blue eyes like me , but also I look like my father. My father works in shop assistant and my mother work in cleaner.

This is my:

I would like to travel and know other cultures. I never been a broad , so I'm thrilled so I'm forward to meet you.

Bye kisses.
