

LUCÍA MARTÍNEZ CASTELLANOS

Hello ,My name is Lucía Martínez Castellanos , I am 15 years old and I live in Seville. I study in the institute Joaquín Turina and I am in 4ESO . My favorite subject is biology and geology.

I consider myself to be a very entertaining and happy person. I have many friends but overcoat have a friend who never wanted to lose it,she is called Olga.

My family is very entertaining and I them whan to all very much . My father calls Jose Luís and is 45 years old , My mother is calls Mamen and is 42 years old, my sister calls Elena and is 12 years old . We are very close and are a very responsible family , we will receive you as a mas of the family and will do every thing possible in order that your stay here is very agreeable.

Would like to manage to be a doctor , I am charmed with the idea of being able to help and cure the persons . What more I like to do is to be with my friends and to dance.

A kiss

Lucía
