

## *Introduction of myself*

Hello everyone! 😊

My name is Loretta Bayer and I am 14 years old. I was born on the 8th July 2002 and I live in a beautiful house with a big garden in St. Andrä, a small village in Carinthia. I attend the 5th form at the Stiftsgymnasium St. Paul and I really like it there.

I have a younger sister. Her name is Leandra and she also visits the school I go to. She attends the 2nd form at this school and I am pretty sure she likes it too. My mom is called Andrea and she works as a secretary at the hospital in Wolfsberg, which is also a little village in Carinthia. My dad's name is Martin. He is a wood engineer.

My family and me also have pets. There is our cat, our dog and the two rabbits.

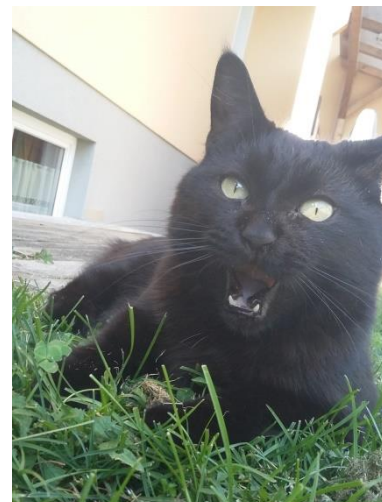

In my freetime I like meeting my friends, going for a walk with my dog, watching movies and TV- series or typical stuff like that. I also like travelling to other countries with my family.

My favourite food is any kind of pizza, but I also like trying food from other countries. I really like comparing foreign food with the food we have in Austria.

I'm really looking forward to meet other people of the „Erasmus- project“ and to visit the other country.
