TURN ON YOUR MIND

TURN OFF PREJUDICES

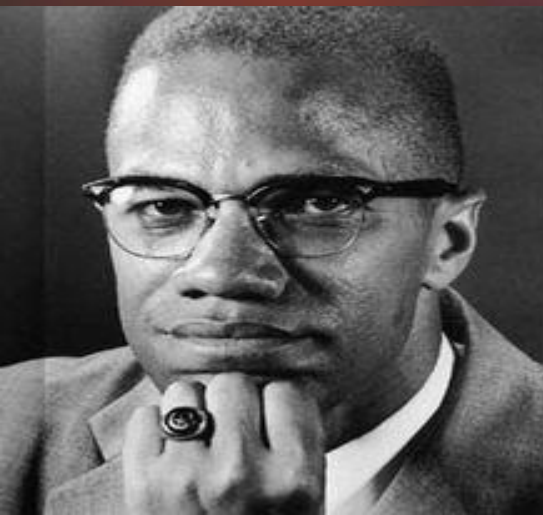

EDUCATION IS THE MOST POWERFUL WEAPON WHICH YOU CAN USE TO CHANGE THE WORLD.

NELSON MANDELA
1918-2013

Racism springs from ignorance.

Mario Balotelli

"Nobody can give you freedom. Nobody can give you equality or justice or anything. If you're a man, you take it."

Malcolm X

I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character.

~ Martin Luther King

**THE LAW SAYS...
WE ARE EQUAL**

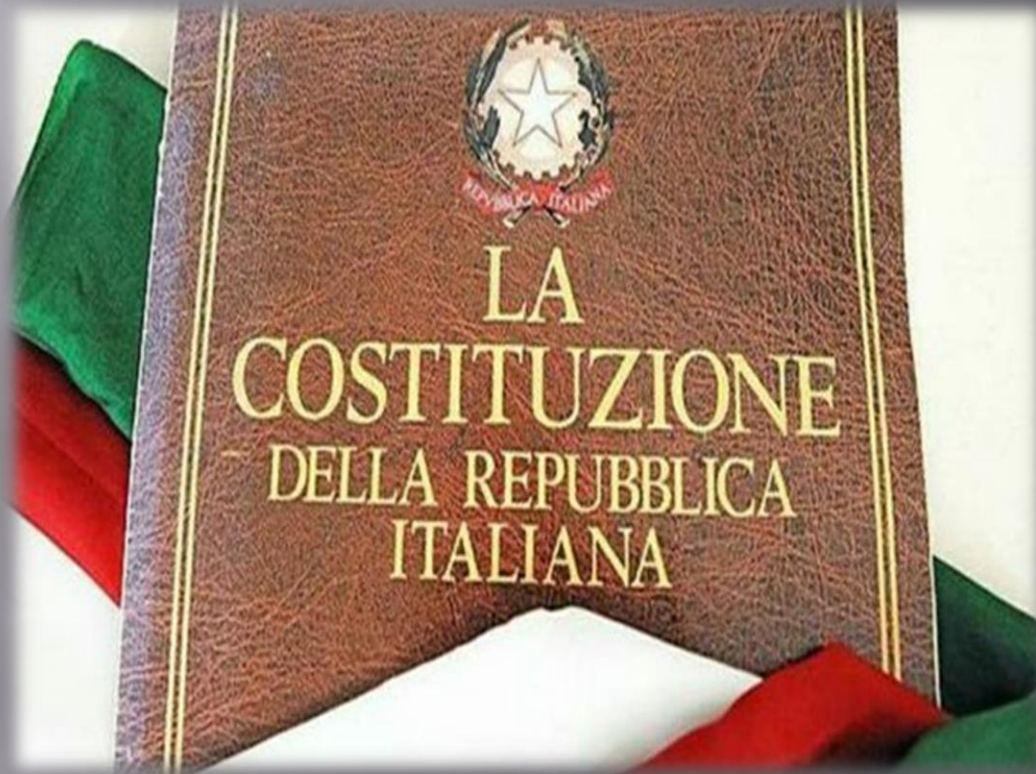

UNIVERSAL DECLARATION OF HUMAN RIGHTS

" All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and each must act towards others in the spirit of brotherhood."

ARTICLE 3

“All citizens have the same social standing and are equal in the eyes of the law, without distinction of sex, of race, of language, of religion, of political opinions, of personal and social conditions.”

MANCINO'S LAW

The background of the slide is a photograph of a wooden desk. On the desk, there are several books. Some are stacked vertically, while others are open, showing their pages. A pair of round, dark-rimmed glasses is resting on one of the open books in the foreground. The lighting is warm and focused on the books, creating a scholarly atmosphere.

“It sanctions and condemns gestures, actions, incitement to violence and discrimination for racial, ethnic or religious reasons.”

THE SCHENGEN TREATY

This defines the area of free circulation inside which citizens of the European union and those of third countries can freely move without being submitted to border controls.

RACIAL PREJUDICES AGAINST IMMIGRANTS

Immigrants today are the principal victims of racism, due to their arrival in their thousands and illegally. For this reason the government doesn't succeed in providing them with everything they need to survive.

WHAT DOES POPE FRANCESCO SAY?

“Humans must overcome all forms of racism towards one-another.”

IMMIGRANTS ARE FULL OF...

...COURAGE

...SKILLS AND ENERGY

...ASPIRATIONS

...A WEALTH OF CULTURAL
TREASURES

THE ROAD OF THE STRUGGLE AGAINST RACIAL PREJUDICES PASSES THROUGH SCHOOL!!!
